OBTAINING MEDICAL DOCUMENTS

When you leave foster care the county is required to help you obtain your medical and dental records AND a contact list of your medical, dental, and mental health providers.

Be sure to ask your social worker for help in obtaining these important documents!

Planned Parenthood

Offers affordable reproductive healthcare for men, women, and teens. A number of centers are located throughout Minnesota.

- www.plannedparenthood.org
- 612-823-6300 (MPLS)
- 651-489-1328 (St. Paul)

Red Door Clinic

Provides free STD/HIV testing as well as birth control for youth ages 12-21. Many of Red Door's services are available on a walk-in basis and are provided regardless of a person's ability to pay.

- www.reddoorclinic.org
- 612-543-5555

Health Care Resources

Annex Teen Clinic

Provides low-cost, sexuality-related health care, health education, counseling and outreach to adolescents in North and Northeast Minneapolis and Northwest suburban Hennepin County. All services are confidential and are offered free or on a sliding fee scale.

- www.annexteenclinic.org
- 763-533-1316

Face to Face Health Care

Youth ages 11-23 can receive counseling services, general medical and reproductive health care at the Face to Face Clinic located in St. Paul. Face to Face accepts most insurance plans, including medical assistance. Youth without insurance will only be charged what they can afford to pay.

- 612-813-6125

MINNESOTACARE

On their 18th birthday youth in foster care are automatically eligible for MinnesotaCare until age 21.

To be enrolled in MinnesotaCare contact your social worker for help completing the application.

The application may be found online at:

- <https://edocs.dhs.state.mn.us/lfservlet/Public/DHS-6696-ENG>

Or an application may be sent to you by calling:

- 651-431-2670

The Bridge

Provides health education, assessments and coordinated follow-up health care for youth as well as referrals for dental, medical, mental health, or chemical dependency treatment.

- www.bridgeforyouth.org
- 612-377-8800

YouthLink Health Care

Has an on-site medical clinic and a team of mental health professionals to assist youth in addressing their health-care needs. The following services are available: birth control, pregnancy testing, immunizations, STD testing, and treatment, strep tests, and injury/illness check-ups.
